

Hello elementary school families and students!
Please enjoy some Winter Break activities brought to you by

INTRODUCING an academic initiative that will impact all New Canaan Public School students and the greater New Canaan community. The Dome will be a state-of-the art immersive and interactive learning theater. Elementary school students can look forward to field trips to the high school, where they will explore not only the wonders of space, but natural history, theater and arts programming!

WITH YOUR HELP we can transform the original 1971 New Canaan High School planetarium into a space that will offer our entire community unparalleled educational opportunities.

Be a Star or Gift one!

We invite you to learn more about this exciting project and the Be A Star campaign at:

HELP US CREATE A CONSTELLATION!

Kids! Decorate this star with markers, stickers, string, glitter, colored paper – anything you like.

Parents! Post a picture of your artist with their star to Instagram and tag it **@renovatethedome**.

We will share all student creations in December during our Be A Star Campaign!
